

Parent Orientation Night + Utilize GDL *Effectively* Presentation

Supported by City of Portland Office of Transportation

Presented by Oregon Driver Education Center (ODEC) Inc. & Legacy Emanuel Hospital’s Trauma Nurses Talk Tough (TNTT)

Advantage & Benefits—Youth & Parents Attending Parent Orientation Night Education *Together*:

- ◆ Offers Tips on how to customize the GDL law components
- ◆ Increases Parent & Teen Awareness and Empowerment
- ◆ Fosters Understanding and Cooperation between Youth & Parents
- ◆ Helps Reduce the Crash and Violation Rates for Youth
- ◆ Includes Teen Driver Contract Construction Activity & Handout

GDL: Graduated Driver’s Licensing Laws help:

- Increase development of safe driving behavior among Youth
- Increase Parent knowledge of how to best support young drivers
- Increase driving safety for entire community
- Increase understanding of reasons and importance of following GDL laws

ODEC Parent Orientation Night includes:

- Changes in driver education, vehicle dynamics, and driver’s education course success measures
- Driving Course ‘driving terms’, updated driving laws, safety and driving technique information
- Meets the GDL law requirement to increase Parental knowledge, awareness and involvement
