In order to qualify for the funding, the following guidelines have been established:

- Students will need to be under the age of 18 at the course completion date of their Driver Education program.

DMV Drive Test Waiver/Certificate

Our program cards (certificates) provide the waiver opportunity for Oregon teens that complete our approved courses to bypass the DMV Drive Test. **THEY DO NOT** do away with the other requirements for licensure. A student needs:

- a. To complete at least 6 months with the learner's permit in their possession,
- b. Complete 50 hours of supervised driving with a parent or other responsible adult,
- c. Pass the "Safe Practices" written test, and
- d. Not have any driver improvement violations that would remove them from the normal course of licensure.

Redeeming a Failing Grade

All assignments are due by the last day of class. Students who receive an unsatisfactory grade (below 80%) will have up to five (5) days to improve their score. Make-up work submitted after five (5) days must be processed through the office and will, therefore, incur a \$25 processing fee. Grades are no longer redeemable after 180 days from the course start date.

In order to be eligible to receive an ODOT certificate, students must complete the following within 120 days of the start date of the class:
